EXPERIENCE

- **Student Maintenance Supervisor** at Housing, SIUE – Edwardsville, IL.
August 2025 – Current
 - Analyzed and monitored housing facilities in order to maintain them or delegate to student workers as necessary.
 - Led, trained and supervised a team of student workers responsible for maintaining four residential dormitories and an apartment complex.
- **Technology Management Group Associate** at NCSA, UIUC – Champaign, IL.
May 2025 – August 2025
 - Provided IT support to clients through JSM.
 - Ensured first-tier responses to all incoming system inquiries.
 - Monitored facilities for security and performance hazards.
 - Brought EOL systems to RHEL 10 and configured them with SSSD, KRB5, OpenSSH, and required network configurations.
- **Volunteer** at American Legion Post 71 – Urbana, IL. May 2017 – August 2022
 - Maintained clean, neat, and operational facilities to serve program needs.
 - Supported engaging, fun, and smooth-running events by helping with organization and planning.
 - Utilized strong interpersonal communication skills to convey information to others.
- **Other Experiences:**
 - **Car Detailer** at Rick Ridings Ford. May 2023 – August 2024
 - **Auto Body Specialist** at Ivey's Auto Body. May 2021 – February 2023
 - **Stocker** at Walmart – Urbana, IL. June 2020 – January 2021

EDUCATION

Southern Illinois University Edwardsville, Edwardsville, IL. *Computer Science*.
August 2022 – May 2026

Current student pursuing a Bachelors of Science with a minor in Mathematical Studies. Received The American Legion Auxiliary Mildred Knoles Scholarship as well as the Cougar Pride Scholarship. Achieved membership on the Dean's list for 7/8 semesters. My current GPA is 3.73. Was a member of the Alpha Kappa Lambda Fraternity for 2 years and part of the Fencing Club.

Unity High School, Tolono, IL. August 2018 – May 2022

Was part of the NHS program, soccer team, an Illinois State Scholar, and part of WCIA's Class of 2022. Ranked 1/117 in my class with a 4.0/4.0 GPA. Took dual-credit classes at Parkland College for computer science experience. Achieved the Dean's List during both semesters at Parkland.

SKILLS

- Website Development Applications with basic HTML, JavaScript, and CSS.
- Database Management with SQL and PHP
- Software Engineering skills revolving around Java, C++, C#, and Python 3.0
- Assembly Language experience, including MIPS
- IOS, Git, and JSM experience
- API keys and LLMs
- RHEL 10 configuration and usage

Summary:

I am a detail-oriented student who is proactive about learning new skills that will develop my career. I have a heavy interest in AI and LLM applications, specifically around smart-driving technology. I also have a large interest in website development, software engineering, and IT-based projects.
