EXPERIENCE

- **Student Maintenance Supervisor** at UHFM, SIUE - Edwardsville, IL. August 2025 - May 2026
 - Analyzed and monitored housing facilities in order to maintain them or delegate to student workers as necessary.
 - Led, trained, and supervised a team of student workers responsible for maintaining 4 residential dormitories and an apartment complex.
- **Extra Help Information Technology Technical Associate**, Technology Management Group at NCSA, UIUC - Champaign, IL. May 2025 - August 2025
 - Provided IT support through first-tier responses to all incoming tickets with Jira Service Management.
 - Assisted with updating documentation.
 - Monitored use of HPC system resources.
 - Monitored facilities for security and performance hazards.
 - Configured, tested, and updated computing hardware and software systems, including bringing EOL systems to RHEL 10 and configuring them with SSSD, KRB5, OpenSSH, and required network configurations.

OTHER EXPERIENCES:

- **Seasonal Car Detailer** at Rick Ridings - Monticello, IL. May 2023 - August 2024
- **Long-term Volunteer** at American Legion Post 71 - Urbana, IL. May 2017 - August 2022
- **Automotive Body Technician** at Ivey's Autobody Specialists - Urbana, IL. May 2021 - February 2023
- **Stocker** at Walmart - Urbana, IL. June 2020 - January 2021

PROJECTS:

- **PlanAble**
 - A mobile planner app, made with React Native, with a focus on simple UI for individuals with ADHD.
- **Shared-Trait Analysis of North American Seabirds**

EDUCATION

Southern Illinois University Edwardsville, Edwardsville, IL. *Computer Science*. August 2022 - May 2026

Achieved a Bachelor of Science with a minor in Mathematical Studies. Received The American Legion Auxiliary Mildred Knoles Scholarship as well as the Cougar Pride Scholarship. Achieved membership on the Dean's List for 7/8 semesters. GPA is 3.76. Was a member of the Alpha Kappa Lambda Fraternity for 2 years and part of SIUE Fencing Club.

Unity High School, Tolono, IL. August 2018 - May 2022

Was part of the NHS program, soccer team, an Illinois State Scholar, and part of WCIA's Class of 2022. Ranked 1/117 in my class with a 4.0/4.0 GPA. Took classes at Parkland College for computer science experience. Achieved the Dean's List during both semesters at Parkland.

SKILLS

- iOS, Expo Go, Git, and JSM experience
- API keys and LLM utilization
- Linux administration experience
- Website Development with basic HTML, JavaScript, and CSS.
- Database Management with MySQL and PHP
- Database Management with PostgreSQL and Supabase
- Software Engineering skills revolving around Java, React Native, C++, C#, and Python
- Assembly Language experience with MIPS
- In-person and virtual customer service

Summary:

Computer Science graduate with a foundation in software engineering, mobile application development, and systems programming. Experience with developing using React Native, Java, Python, and C++, with additional knowledge of databases, Linux administration, and API integration. Passionate about building user-focused software solutions and machine-learning applications
